**QUARTERLY UPDATE**

---

Shareholders are referred to the:

- previous cautionary announcements, the last of which was dated 24 January 2019;
- last quarterly update which was dated 25 October 2018; and
- SENS announcement, dated 29 July 2016, relating to the voluntary suspension of the Company's shares on the JSE Limited ("JSE") ("the Suspension").

In line with paragraph 1(10)(c) of the JSE Listings Requirements, the Company is obliged to give an update to the market of the state of the affairs of the Company until the Suspension is lifted.

As previously advised, the Board is pursuing a transaction for the acquisition of a chrome mining company, in exchange for the issue of shares by MRI ("the Chrome Transaction"). The Chrome Transaction, if implemented, will constitute a reverse take-over for MRI and will require a circular to shareholders, incorporating revised listing particulars ("the Circular").

The Board advises shareholders that MRI is still in negotiations with the parties to the Chrome Transaction. The Board has reached consensus with the parties to the Chrome Transaction on key commercial terms, with definitive agreements in the process of being finalised. The parties are also in the process of collating documentation required in terms of the JSE Listings Requirements for inclusion in the Circular.

The Board will continue to inform shareholders of the progress of the Chrome Transaction.
